This letter contains your IEEE 802.16 Operator ID (OpID) assignments per your request to the IEEE Registration Authority. Please take a moment to verify that the information contained in the company address area (above) is correct. If not, please notify the IEEE immediately.

It should be stressed that the IEEE assignment committee has made every effort to ensure that there is no duplication of assignments, but does not guarantee that duplicate assignments have not occurred. We urge that a single, central administrative authority be established in your company to avoid duplication of identifiers based on your block of addresses.

Your IEEE 802.16 Operator ID assignment is: 000051

For additional information on the use of your IEEE 802.16 Operator ID, please see the IEEE 802.16 Operator ID tutorial, on our web site at:
